IMPORTANT: Please respond to Madeline’s emails regarding Room Bookings and Course outlines.

Monday, September 6

- Labour Day: The University will be closed.

Tuesday, September 7

- Graduate Student Orientation: All graduate students are encouraged to attend the orientation in N620 Ross at 3:30 p.m. The information provided in the session will be useful for navigating through your graduate years in the department.

Thursday, September 9

- Assignment Boxes: If you think you will need an assignment box set up for your course(s), then email yangs@mathstat.yorku.ca the course number(s) and the title of the course(s). The assignment boxes will be ready by the beginning of the term.

Friday, September 10

- TA Safety Orientation Day: This is a mandatory training session for any new TAs, TAs that have never taken the training or haven’t taken the training for three or more years. This training session is organized every September by the Faculty of Science and Engineering and provides valuable information for all TAs. This training session involves contributions from specialist on different Health and Safety topics who have come together for this one session, so it is essential that TAs attend the session at 8:30 a.m. in 206 Accolade West.

- Office Hours: ALL teaching faculty must submit their office hours form to Sandy.

- Staff Absence: Susan will be away.

Monday, September 13

- Back to School: Classes begin. To be sure you are ready read the ‘Who, Where and How: A Faculty Survival Guide’.

please email srainey@yorku.ca if you would like an announcement in a future bulletin.
Reminders/Announcements:

- **Congratulations!** Jianhong Wu has been chosen as the 2010 winner of the Federation of Canadian Chinese Professional Education Foundation's Award of Merit.

- Pure Math Section Meeting: Thursday, September 16 at 4:00p.m. in Room N638 Ross.

- Please announce to your students, on behalf of Club Infinity, that they can subscribe to an undergraduate listerv that will keep them informed of undergraduate events and news. Go to: www.math.yorku.ca/new/undergrad/mailinglist.htm on how to join.

- Keep informed of seminars and colloquia by checking http://www1.math.yorku.ca/new/calendar-date.

- Check www.registrar.yorku.ca/importantdates for full details on important dates and religious observances. University event planners and faculty members are encouraged to take these days into consideration when scheduling events.

- For details regarding Fields Institute seminars go to www.fields.utoronto.ca/programs.
