Monday, November 7

- Applied Algebra Seminar: Tom Denton, York University and Fields Institute, will give a talk entitled “Promotion Operators and Dual Equivalence” at 2:30 p.m. in N638 Ross.

- Administrative Staff Absence: Janice will be on vacation, returning on Monday, November 21.

Wednesday, November 9

- Academic Innovation Fund: The Provost & AVP Teaching & Learning will host an information session for potential applicants at 3:00 p.m. in Room 519, York Research Tower, to address any questions members of the community may have in relation to the fund or the application process. All members of the community are welcome to participate. RSVP at http://aifprojects.yorku.ca/information-session-rsvp/.

Friday, November 11

- Remembrance Day.

- Applied Mathematics Seminar: Iouloudz S. Raguimov, York University, will give a talk entitled “The Best Guaranteed Result Principle and Decision-Making in Operations with Stochastic Factors” at 2:30 p.m. in N638 Ross.

- Analysis Seminar: Narn-Rueih Shieh, National Taiwan University, will speak about “A Relativistic Diffusion Equation as a Pseudo-Differential Equation” at 4:00 p.m. in N638 Ross.

- Last day for students to drop a Fall term course without receiving a grade.

please email srainey@yorku.ca if you would like to make an announcement in a future bulletin.
Reminders/Announcements:

- Everyone Email List: If you have a visitor or post-doc and would like them to be kept informed of seminars and other events, please email srainey@yorku.ca with their email address. They will be placed on the ‘everyone’ email list.

- Teachers Email List: If you are teaching this term but are not receiving any emails from the ‘teachers’ list, please inform srainey@yorku.ca immediately.

- Visitor/Post-doc/Extension Form: If you wish to invite a visitor or post-doc or wish to extend the duration of your visitor/post-doc, a form from the Chair’s Office must be completed.

- Please take note of the office hours posted on doors of the administrative staff or listed in the Faculty Survival Guide, http://www1.math.yorku.ca/new/news. Staff would appreciate your respect of their start/end times and necessary breaks.

- Keep informed of seminars and colloquia by checking http://www1.math.yorku.ca/new/event-date.

- Check http://www.registrar.yorku.ca/enrol/dates/index.htm for full details on important dates and religious observances. University event planners and faculty members are encouraged to take these days into consideration when scheduling classroom events.

- For details regarding Fields Institute seminars go to www.fields.utoronto.ca/programs. For upcoming York University activities supported by Fields, please go to www.fields.utoronto.ca/programs/scientific/partner/PSU-York/.
