ATTENTION TEACHERS:
• Sandy needs to know by September 10 if you need an assignment drop box and she needs your office hours by the same date.
• Please also respond to Madeline’s emails regarding Room Bookings and Course outlines.

Monday, September 13
• Back to School: Fall and Fall/Winter courses begin today.
• Toronto Probability Seminar: Tom Alberts, University of Toronto, will speak on “Intermediate Disorder for Directed Polymers in Dimension 1+1, and the Continuum Random Polymer” from 4:10p.m. to 5:00p.m. in the Stewart Library of the Fields Institute. More information can be found at www.math.toronto.edu/probsem.
• Staff Absence: Susan will be away.

Tuesday, September 14
• Fields Institute, Distinguished Lecture Series: Avi Wigderson, Princeton, will speak on “Randomness, Pseudorandomness and Derandomization” at 3:30p.m. The lecture series continues until the 16th.

Wednesday, September 15
• Workshop organized by the TDGA's: “TAing in Mathematics and Statistics: A Workshop for New and Returning TAs” from 4:00p.m. to 5:30p.m. in N620 Ross. Refreshments will be served. The workshop will contain important information and resources about being a TA in the department.

Friday, September 17
• Toronto Set Theory Seminar: Peter Burton, Kevin Duanmu and Frank Tall, University of Toronto, will speak on “Lindelof Products” from 1:30p.m. to 3:00p.m. in Room 210, Fields Institute.

please email srainey@yorku.ca if you would like an announcement in a future bulletin.
Fields Institute, Coxeter Lecture Series: Shiri Artstein-Avidan Tel-Aviv University, will speak on “Abstract Duality, the Legendre Transform and a New Duality Transform” at 3:30p.m.

Monday, September 20

Happy Birthday!: Lee Lorch turns 95 years young today.

Fields Institute, Coxeter Lecture Series: Shiri Artstein-Avidan Tel-Aviv University, will speak on “Order Isomorphisms and the Fundamental Theorem of Affine Geometry” at 3:30p.m.

Reminders/Announcements:

Please be reminded that CSBO no longer removes garbage and recycling from individual offices, tri-bins have been placed in the hallways and an organic bin in each kitchen, please review the following:

- newspaper and office paper (not including used paper coffee cups or plates) will go into one section of the tri-bin;
- cans, bottles and other minor plastics, including plastic forks, plastic bags and bottles that have been emptied of any liquid, will go into another section of the tri-bin;
- rappers and packaging that are soiled with food waste or not recyclable should go into the waste section of the tri-bin;
- all organic waste goes into a separate kitchenette bin or digester.

Please announce to your students, on behalf of Club Infinity, that they can subscribe to an undergraduate listerv that will keep them informed of undergraduate events and news, [www.math.yorku.ca/new/undergrad/mailinglist.htm](http://www.math.yorku.ca/new/undergrad/mailinglist.htm) on how to join.

Check [www.registrar.yorku.ca/importantdates](http://www.registrar.yorku.ca/importantdates) for full details on important dates and religious observances. University event planners and faculty members are encouraged to take these days into consideration when scheduling events.

For details regarding Fields Institute seminars go to [www.fields.utoronto.ca/programs](http://www.fields.utoronto.ca/programs). For upcoming York University activities supported by Fields, please go to [www.fields.utoronto.ca/programs/scientific/partner/PSU-York/](http://www.fields.utoronto.ca/programs/scientific/partner/PSU-York/).

No trees were killed in the sending of this message, but a large number of electrons were terribly inconvenienced.

please email srainey@yorku.ca if you would like an announcement in a future bulletin.
